MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto*, will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices*, will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission*, shall, on being convicted thereof by a General Court Martial, *forfeit his Commission*, and be *Cashiered*; and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions*, in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward

for any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

WAR-OFFICE, Department of Accompts, 16th Nov. 1822.

SIR,

IT having been found that Collectors of Taxes have been in the habit of demanding and receiving payment in advance for the Tax of Officers Horses kept for the Public Service, I am directed by the Secretary at War to state that in future such payments are not to be made in advance, but only at the periods prescribed by the Act of Parliament;—that the Duties to be paid in one year are charged according to the number of Horses kept in the year preceding; that is to say, the Duties assessed for the year ended 5th April, 1823, are calculated according to the number of Horses kept in the year ended 5th April, 1822.

I am to add that the first Quarterly Payment of the Tax for Horses kept between 5th April, 1821, and 5th April, 1822, is not liable to be made until after the 20th June, 1822; and the future Quarterly Payments are to be made in like manner after 20th September, 20th December, 1822, and 20th March, 1823, following.

The Receipts of the Collectors are to be given according to the annexed Form.

I am further directed to state that when Regiments proceed upon Foreign Service, a Return is to be furnished to this Department, with reference to this Circular, shewing the number of Horses for which the Tax is liable to be demanded for each Officer, from the date to which the last Payment was made to the date of Embarkation, annexing the proper Certificate of the Officer, shewing what Horses were kept for the Public Service only.

I have, &c.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions,* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorised Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward

or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

MEMORANDUM.

HIS Majesty has directed that Lieutenant-Colonels of the Line, not having the Army Rank of Colonel, who may exchange with Lieutenant-Colonels and Colonels of the Life Guards; and Majors of the Line, not having the Army Rank of Lieutenant-Colonel, who may exchange with Majors and Lieutenant-Colonels of those Regiments, are not, by such exchanges, to obtain the Rank of Colonel and Lieutenant-Colonel respectively, without the special authority of The King, as in other cases of Brevet Rank.

GENERAL ORDER.

HORSE-GUARDS, 30th December, 1822.

The Master General and Board of Ordnance having issued the annexed Regulations, in addition to those published with the General Order of 16th May, 1821, respecting Surveys upon Ordnance Stores at Home and Abroad, the Commander in Chief has been pleased to direct, that the same shall in like manner be circulated for the information and guidance of the Officers Commanding the Troops at the several Stations where such Surveys may be appointed to be held.

By Command of his Royal Highness
The Commander in Chief.

HENRY TORRENS, Adjutant General.

Copy of a Circular Letter addressed by the Secretary to the Board of Ordnance, to the Storekeepers and Deputy Storekeepers, at the respective Ordnance Stations at Home and Abroad.

OFFICE OF ORDNANCE, 18th December, 1822.

It being directed by the Instructions to the Honorable Surveyor General, that he is to survey or have surveys made Annually, of all Stores in Maga-

zine, and in charge of any of the Storekeepers; which Surveys are to be taken in conjunction with the Officers of the Ordnance, and by Officers of Artillery, and Engineers, at each Station, and by an Officer of the Navy, (for the Sea Service Stores,) and one of the Army, (for the Land Service Stores,) if there should be any such Officers on the spot; I have it in command to state the same for your information, and to signify the Board's desire that, whenever such Annual Survey shall be authorized at , or when it may be necessary to survey Stores with a view to the condemnation of those that are unserviceable, according to the Master General's and Board's Circular Order, dated 19th April, 1821, you will be careful in your applications to the Military and Naval Authorities upon the spot, for the attendance of Officers from those Services upon such Surveys, to state the Rank of the Officers of Ordnance likely to be employed, in order that the Commanding Officers of the Troops or Ships at the Station, may appoint Officers of the nearest corresponding Ranks under their Command; upon which point the Board have communicated with His Royal Highness the Commander in Chief, and the Lords Commissioners of the Admiralty.

The Board, however, direct me further to state to you, that when it may be requisite to survey Stores which may be occasionally returned from any of his Majesty's Ships, they are of opinion that no objection need attach to the nomination of the Gunner of the Ship, instead of a Commissioned Naval Officer, to attend the Survey, in consequence of his interest in, and connection with the Stores to be surveyed.

You will be pleased to observe, that it is not the Board's intention, that any Officers of the Artillery or Engineers, or of the Line or the Navy, should be required to travel from the places where they are respectively stationed, to join in the Annual, or other Surveys, so as to occasion a claim for *travelling* expenses; but that their attendance is only expected when any of them are on duty at the place where the Stores in charge of each Storekeeper are deposited.

I am, &c.

(Signed) R. H. CREW.

To Widows of Captains, Lieutenants, Cornets, and Ensigns of the Army.

WHEREAS the late Colonel JOHN DROULY, Governor of Cowes Castle, bequeathed by Will the Sum of Ten Thousand Pounds, 3 per cent. Reduced Bank Annuities, to the Secretary at War and the Paymaster-General for the Time being, to be held by them in Trust, and the Interest thereof, namely, Three Hundred Pounds per annum, to be by them applied in payment of Annuities to Fifteen Widows of Officers of the Army, killed or dying in the Service, viz.

To Five Widows of Captains at £25 each,
Five Widows of Lieutenants at £20 each,
Five Widows of Cornets or Ensigns at £15 each,

whose yearly Incomes shall not exceed the Sum of £30, exclusive of their annual Pensions from the Public, with a special direction that the Widow-

of Officers killed upon Service should upon all occasions have preference, and that regard should also be had to the cases of such Widows as have most Children born in Wedlock.

Notice is hereby given, that the Secretary at War and the Paymaster-General, will be ready to consider the claims of such Widows, as are eligible under Colonel DROULY's said Will, to receive the said Annuities according to the foregoing conditions. But in consequence of the preference which, as above stated, is by the said Will of the late Colonel DROULY directed to be given to the claims of the *Widows of Officers killed in the Service*, and the limited number of Widows to whom Pensions can be granted, no application can at present be entertained from any Widow whose Husband was not so killed; it being conceived that there will be more eligible applicants from among the Widows of such Officers than the Fund will afford the means of providing for. If, however, at any future time, there should exist the means of entertaining applications from Widows whose Husbands died while in the Service, not having been killed in action, due notice thereof will be given.

The claims are to be addressed to "The Secretary at War, War-Office, London," and to be sent in before the 25th September, 1823.

WAR-OFFICE, 3d January, 1823.

MEMORANDUM.

THE Secretary at War acknowledges to have received from G. A. H. a Bank of England Note for Ten Pounds, numbered 17,057, and dated 11th December, 1822, in addition to the Three former Sums of the same amount acknowledged in the Army List for November, 1821, February and August last, in further repayment of an over issue of Bat and Forage allowance as an Aide-de-Camp; and the above-mentioned Note has been paid into the Bank of England, to the Account of the Paymaster-General of the Army.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions,* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any su-

of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

To Widows of Captains, Lieutenants, Cornets, and Ensigns of the Army.

WHEREAS the late Colonel JOHN DROULY, Governor of Cowes Castle, bequeathed by Will the Sum of Ten Thousand Pounds, 3 per cent. Reduced Bank Annuities, to the Secretary at War and the Paymaster-General for the Time being, to be held by them in Trust, and the Interest thereof, namely, Three Hundred Pounds per annum, to be by them applied in payment of Annuities to Fifteen Widows of Officers of the Army, killed or dying in the Service, viz.

To Five Widows of Captains at £25 each,
Five Widows of Lieutenants at £20 each,
Five Widows of Cornets or Ensigns at £15 each.

whose yearly Incomes shall not exceed the Sum of £30, exclusive of their annual Pensions from the Public, with a special direction that the Widows of Officers killed upon Service should upon all occasions have preference, and that regard should also be had to the cases of such Widows as have most Children born in Wedlock.

Notice is hereby given, that the Secretary at War and the Paymaster-General, will be ready to consider the claims of such Widows, as are eligible under Colonel DROULY's said Will, to receive the said Annuities according to the foregoing conditions. But in consequence of the preference which, as above stated, is by the said Will of the late Colonel DROULY directed to be given to the claims of the *Widows of Officers killed in the Service*, and the limited number of Widows to whom Pensions can be granted, no application can at present be entertained from any Widow whose Husband was not so killed; it being conceived that there will be more eligible applicants from among the Widows of such Officers than the Fund will afford the means of providing for. If, however, at any future time, there should exist the means of entertaining applications from Widows whose Husbands died while in the Service, not having been killed in action, due notice thereof will be given.

The claims are to be addressed to "The Secretary at War, War-Office, London," and to be sent in before the 25th September, 1823.

MEMORANDUM.

THE Secretary at War acknowledges to have received from G. A. H. a Bank of England Note for Ten Pounds, numbered 17,057, and dated 11th December, 1822, in addition to the Three former Sums of the same amount acknowledged in the Army List for November, 1821, February and August last, in further repayment of an over issue of Bat and Forage allowance as an Aide-de-Camp; and the above-mentioned Note has been paid into the Bank of England, to the Account of the Paymaster-General of the Army.

GENERAL ORDER.

HORSE-GUARDS, 30th January, 1823.

DIFFICULTIES having arisen upon the part of certain individuals in regard to the payment of those Subscriptions which are required of Regimental Officers, the Commander-in-Chief has received the King's commands to declare to the Army, that His Majesty considers every Officer bound to pay the ordinary Regimental Mess and Band Subscriptions when he shall enter a Regiment, whether he joins it or not; and that His Majesty will regard any attempt to resist these payments as a violation of discipline.

Officers are expected to join their Regiments immediately upon their appointment; and when, instead of doing so, they receive any Leave of Absence, it would be highly improper to make such indulgence a plea whereon to evade any regulation or usage which has been sanctioned by His Majesty.

Experience having proved the maintenance of a Regimental Mess to be necessary to the due preservation of harmony, respectability, and discipline, in a Military Society; and the support of a Regimental Band, upon the economical scale prescribed in the General Order of the 8th of November, 1821, to be due to the credit of a Regiment; His Royal Highness will bring under His Majesty's special notice, the conduct of any individual who shall hereafter presume to interrupt the comfort of his Brother Officers, and the respectability of his Corps, by thus cavilling at, or dissenting from, arrangements which have been adopted throughout the Service to confer a general benefit, and which are confirmed by His Majesty's gracious approval.

The Commander-in-Chief expects, however, that the present Order will not be perverted into a license to distress individuals by extravagance under either of the above heads; and His Royal Highness will accordingly be ready to receive, investigate and redress any complaints that shall be made by Officers, who may feel aggrieved by undue exactions, at variance with the general custom of the Service; but His Royal Highness will, of course, in every instance, hold the Complainant strictly responsible for the correctness of his representations.

By His Royal Highness
The Commander-in-Chief's Command.
HENRY TORRENS,
Adjutant-Gener

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions,* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum

of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

To Widows of Captains, Lieutenants, Cornets, and Ensigns of the Army.

WHEREAS the late Colonel JOHN DROULY, Governor of Cowes Castle, bequeathed by Will the Sum of Ten Thousand Pounds, 3 per cent. Reduced Bank Annuities, to the Secretary at War and the Paymaster-General for the Time being, to be held by them in Trust, and the Interest thereof, namely, Three Hundred Pounds per annum, to be by them applied in payment of Annuities to Fifteen Widows of Officers of the Army, killed or dying in the Service, viz.

To Five Widows of Captains at £25 each,
Five Widows of Lieutenants at £20 each,
Five Widows of Cornets or Ensigns at £15 each.

whose yearly Incomes shall not exceed the Sum of £30, exclusive of their annual Pensions from the Public, with a special direction that the Widows of Officers killed upon Service should upon all occasions have preference, and that regard should also be had to the cases of such Widows as have most Children born in Wedlock.

Notice is hereby given, that the Secretary at War and the Paymaster-General, will be ready to consider the claims of such Widows, as are eligible under Colonel DROULY's said Will, to receive the said Annuities according to the foregoing conditions. But in consequence of the preference which, as above stated, is by the said Will of the late Colonel DROULY directed to be given to the claims of the *Widows of Officers killed in the Service*, and the limited number of Widows to whom Pensions can be granted, no application can at present be entertained from any Widow whose Husband was not so killed; it being conceived that there will be more eligible applicants from among the Widows of such Officers than the Fund will afford the means of providing for. If, however, at any future time, there should exist the means of entertaining applications from Widows whose Husbands died while in the Service, not having been killed in action, due notice thereof will be given.

The claims are to be addressed to "The Secretary at War, War-Office, London," and to be sent in before the 25th September, 1823.

WAR-OFFICE, Department of Accounts.
13th March, 1823.

SIR,

CONSIDERABLE inconvenience having arisen to this Department in consequence of the different practice prevailing among His Majesty's Regiments stationed in the East Indies, in the mode of calculating and stating the amount of the credits of deceased men, these credits being in some instances calculated in currency, and in others in sterling money, I have the honour to signify to you the King's pleasure, that, in future, the credits of deceased men shall, in all cases, be stated in the Casualty Returns rendered to this Department, and to the Regimental Agents, in sterling money, after deducting the loss by exchange in the purchase of bills remitted for this Service.

I have the honour to be,
Sir,
Your most obedient humble Servant,

Warrant, directing that, from the 25th December, 1822, all Payments on account of Pensions of Widows of Officers, Unattached Pay of General Officers, Retired Pay, Half Pay, and Military Allowances to Reduced Officers, Pensions for Wounds, Royal Bounties, and Compassionate Allowances, shall be issued through the Paymaster General of the Land Forces, and that persons resident in Ireland shall receive the same in Irish currency.

GEORGE R.

WHEREAS by Our Warrants bearing date the 25th September, 1812, and the 15th May, 1815, We were pleased to declare, that Unattached General Officers, Reduced and Retired Officers of Our Land Forces, and Widows of Officers of Our Army and Marines, should, when resident in Great Britain, receive their Pay, Pensions, or Allowance, through the Paymaster General of Our Forces, and when resident in Ireland, through the proper departments in that country.

And whereas, in pursuance of the provisions contained in an Act of Parliament, passed in the third year of Our Reign, entituled "An Act to provide for the more effectual Regulation of certain Officers relating to the Receipt of His Majesty's Exchequer in Ireland," We think it expedient to establish a new Regulation with respect to the issue of such Pay, Pensions, or Allowances; Our will and pleasure is, that from the 25th December last inclusive, all the Persons borne upon Our Establishments of Unattached General Officers, of Reduced and Retired Officers, and of Widows of Officers of Our Army and Marines, shall receive their Pay, Pensions, and Allowances through the Paymaster General of Our Land Forces, whether resident in Great Britain, or in Ireland; but that such of the said Persons as shall be resident in Ireland at the time when their Pensions, Pay, or Allowances shall be paid to them, shall receive the same in Irish currency.

And it is Our further will and pleasure, that the like Rules shall be observed, in regard to all payments to Officers and others, on account of Military Allowances, Pensions for Wounds, Royal Bounties, and Allowances on the Compassionate List.

And for so doing, this shall be, as well to Our Paymaster General, Our Secretary at War, Our Commissioners for Auditing the Public Accounts, and all others whom it doth or may concern, a sufficient Warrant, Authority, and Direction.

Given at Our Court at Carlton Palace, this 6th day of March, 1823, in the fourth year of Our Reign.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions,* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum

of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

To Widows of Captains, Lieutenants, Cornets, and Ensigns of the Army.

WHEREAS the late Colonel JOHN DROULY, Governor of Cowes Castle, bequeathed by Will the Sum of Ten Thousand Pounds, 3 per cent. Reduced Bank Annuities, to the Secretary at War and the Paymaster-General for the Time being, to be held by them in Trust, and the Interest thereof, namely, Three Hundred Pounds per annum, to be by them applied in payment of Annuities to Fifteen Widows of Officers of the Army, killed or dying in the Service, viz.

To Five Widows of Captains at £25 each,
Five Widows of Lieutenants at £20 each,
Five Widows of Cornets or Ensigns at £15 each.

whose yearly Incomes shall not exceed the Sum of £30, exclusive of their annual Pensions from the Public, with a special direction that the Widows of Officers killed upon Service should upon all occasions have preference, and that regard should also be had to the cases of such Widows as have most Children born in Wedlock.

Notice is hereby given, that the Secretary at War and the Paymaster-General, will be ready to consider the claims of such Widows, as are eligible under Colonel DROULY's said Will, to receive the said Annuities according to the foregoing conditions. But in consequence of the preference which, as above stated, is by the said Will of the late Colonel DROULY directed to be given to the claims of the *Widows of Officers killed in the Service*, and the limited number of Widows to whom Pensions can be granted, no application can at present be entertained from any Widow whose Husband was not so killed; it being conceived that there will be more eligible applicants from among the Widows of such Officers than the Fund will afford the means of providing for. If, however, at any future time, there should exist the means of entertaining applications from Widows whose Husbands died while in the Service, not having been killed in action, due notice thereof will be given.

The claims are to be addressed to "The Secretary at War, War-Office, London," and to be sent in before the 25th September, 1823.

WAR-OFFICE, 3d January, 1823.

Warrant, directing that, from the 25th December, 1822, all Payments on account of Pensions of Widows of Officers, Unattached Pay of General Officers, Retired Pay, Half Pay, and Military Allowances to Reduced Officers, Pensions for Wounds, Royal Bounties, and Compassionate Allowances, shall be issued through the Paymaster General of the Land Forces, and that persons resident in Ireland shall receive the same in Irish currency.

GEORGE R.

WHEREAS by Our Warrants bearing date the 25th September, 1812, and the 15th May, 1815, We were pleased to declare, that Unattached General Officers, Reduced and Retired Officers of Our Land Forces, and Widows of Officers of Our Army and Marines, should, when resident in Great Britain, receive their Pay, Pensions, or Allowance, through the Paymaster General of Our Forces, and when resident in Ireland, through the proper departments in that country.

And whereas, in pursuance of the provisions contained in an Act of Parliament, passed in the third year of Our Reign, entituled "An Act to provide for the more effectual Regulation of certain Officers relating to the Receipt of His Majesty's Exchequer in Ireland," We think it expedient to establish a new Regulation with respect to the issue of such Pay, Pensions, or Allowances; Our will and pleasure is, that from the 25th December last inclusive, all the Persons borne upon Our Establishments of Unattached General Officers, of Reduced and Retired Officers, and of Widows of Officers of Our Army and Marines, shall receive their Pay, Pensions, and Allowances through the Paymaster General of Our Land Forces, whether resident in Great Britain, or in Ireland; but that such of the said Persons as shall be resident in Ireland at the time when their Pensions, Pay, or Allowances shall be paid to them, shall receive the same in Irish currency.

And it is Our further will and pleasure, that the like Rules shall be observed, in regard to all payments to Officers and others, on account of Military Allowances, Pensions for Wounds, Royal Bounties, and Allowances on the Compassionate List.

And for so doing, this shall be, as well to Our Paymaster General, Our Secretary at War, Our Commissioners for Auditing the Public Accounts, and all others whom it doth or may concern, a sufficient Warrant, Authority, and Direction.

Given at Our Court at Carlton Palace, this 6th day of March, 1823, in the fourth year of Our Reign.

By His Majesty's Command,

PALMERSTON.

N.B. All applications respecting payment of the above Allowances should be addressed to the Paymaster General of the Forces.

King of Arms of the Order—Sir George Nayler.

N. B.—Such Officers as possess *British* Orders and Distinctions are noticed in their respective places.

BRITISH MILITARY OFFICERS

ON WHOM FOREIGN ORDERS HAVE BEEN CONFERRED,

Who have received the Royal Permission to accept the same, and have been duly notified in the London Gazette and registered in His Majesty's College of Arms.

REGULATIONS OF HIS MAJESTY RESPECTING FOREIGN ORDERS.

1st. That no British subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2d. That the intention of a Foreign Sovereign to decorate a British subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3d. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations the following were deemed expedient to announce, in the year 1812,

5th, "That no subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the enemy, either at sea or in the field; or unless he shall have been actually employed in the service of such Foreign Sovereign."

And in March, 1813, the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's Licence and Permission doth not authorise, and shall not be deemed or construed to authorise, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Batchelor of these realms."

N. B. Before the Principal Secretary of State for Foreign Affairs takes The King's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander in Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to His Majesty's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to The King's pleasure being taken thereon.
